MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If tongue is coated, breath bad stomach sour, clean liver and bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach.

WOFFORD COLLEGE NOTES

Spartanburg, Sept. 30.—Fev. W. J. Snyder of Greer, a former pastor of Bethel church in Anderson, was a visitor on the campus Friday.

Rev. A. J. Cauthen, a former presiding elder of the Anderson district spent the week-end with his sons who are students at Wofford.

Dr. A. G. Bembert delivered a very effective address at the college Y. M. C. A. Friday night, taking for the basis of his talk, the saving of the nation by "Christian Young American in College."

On Sunday night September 26, Dr. H. N. Snyder, the president of Wofford, delivered an address on, "The Adaptation of the College Student to the New Environment."

The address was delivered to more than a thousand people. It was inspiring and full of forceful logic.

Mr. Glenn Smith, a former resident of Anderson, now a student at the Textile Industrial Institute was a visitor on the campus Wednesday.

The foot ball season is fast approaching. The old foot ball players and a number of the new students are practicing every afternoon for the coming season.

The people of Spartanburg says that they are glad to see the students back again. They say that the town is a dull place without them.

The campaign is in progress to enroll every student as a member of the Y. M. C. A. of the college. A large number of the new students have already joined.

The college ministerial band had a meeting at which meeting the following officers were elected: President, E. K. Garrison; vice president, H. W. Sanders; secretary and treasurer, H. C. Gleaton.

The president proposed the discipline of the Methodist church south as the course of study for the first semester.

The rule passed by the student body of Wofford that all Freshman be required to wear green skull caps has been repealed by the faculty.

The Calhoun, the Carlisle, and the Preston Literary societies, have begun work for the year. Judging from the speeches and the work of the first two meetings, this is going to be a very profitable year in literary society work.

Many Complaint Heard. This summer seems to have produced an unusual amount of sickness. Many complaints of headaches, lame backs, rheumatism, biliousness and of being "always tired." Aches, pains and lassitude caused by the kidneys failing to do their work and throw the poisonous waste from the system yield quickly to Foley Kidney Pills. They help elimination, give sound sleep and make you feel well and strong. They are tonic in action. Sold everywhere.

Inconvenient Thought. The Inconvenient—Tell me, is it a crime to be poor?

"No, Lawyer—Not in this state, sir. The charge for any opinion on the subject is \$5. Pay in yelker and go out quietly.—Judge.

OPINION RENDERED ON BEER DELIVERIES

Atty. Gen. Decides Brewery Can Deliver None After Election Result is Announced.

Columbia, Oct. 1.—The attorney general's office has rendered an opinion that the breweries in Charleston can not sell beer to the dispensaries after the result of the prohibition election has been declared by the state board of canvassers.

"In reply thereto," says the opinion, "I will say that the prohibition act, in Section 4 thereof, provides that no liquor shall be bought or contracted for or received by any county dispensary board after the result of said election is declared by the state board of canvassers."

"Under Section 859 of the criminal code of 1912, which section refers to the manufacture and sale of liquor by distilleries and beer by breweries, it is provided that such manufacturers shall not sell such liquors and beverages to any person, firm or corporation within the limits of this state, except to county dispensary board."

"It will be seen from the provisions of law quoted that the brewery can only sell to the county dispensary board cannot buy, contract for or receive any liquor, which, of course, will include beer, after the result of the election is declared by the state board of canvassers."

"I am of the opinion that this provision of the prohibition act will apply to a brewery that has been licensed in this state in the same manner as to any brewery outside of the state. In other words, that after the result of the election has been declared by the state board of canvassers the county dispensary board has no power or authority, under the law, in my opinion, to buy, contract for or receive any liquor or beer from any source whatsoever."

We are recommending our 10-1-0 and 10-2-0 and 10-2-1/2-0 for wheat and oats this fall when you sow it.

This will give it stalk and grains in the head, and that it what you want in grain. If you will sow five acres in wheat and five in oats this fall, after preparing the land well and fertilizing it well with either of these goods, you will find it advantageous. The 10-2-1/2-0 is an especially fine goods for grain. Let us hear from you.
